

ALIEN IN MY LUNGS

I woke up this morning I was stuck to my bed
Because of the mucus dripping out of my head
My little brother said, "That's a really cool trick!"
I said, "No it's not, it means I'm sick!"
Mama came in, she said, "Why do you look so glum?"
I said, "Because I've got ALIENS IN MY LUNGS!"

There's an alien in my lungs!
There's an alien in my lungs!
It's no fun to be on the run
From the aliens in my lungs!

It made me cough, and it made me wheeze....
It made me hack, and it made me sneeze....
I took a thousand milligrams of vitamin C
I drank a gallon of water, just to wash them out of me
There's one more thing to try, I know what to do
And so do you, we're gonna get 'em out, by doing
kungCHOO!

Ah... ah... ah... kungCHOO!!!!
Ah... ah... ah... kungCHOO!!!!
Ah... ah... ah... kungCHOO!!!!
Ah... ah... ah... kungCHOO!!!!

If you ever wake up and you're stuck to your bed
Because of the mucus dripping out of your head
Get yourself some rest, take yourself a nap
Drink a gallon of orange juice, you'll be better in a snap
If that's not enough, a little kungCHOO
And sneeze the virus, the germs, the bacteria
right out of you

There's no more aliens in my lungs!
No more aliens in my lungs!
Now they're gone, they're on the run
There's no more aliens in my lungs!
