Juan: Hey Billy

Billy: Hey Juan

Juan: What's up?

Billy: Yeah, what's UP...? Like, in the sky?

Juan: Let's go!

Billy: Start from right here....

5, 4, 3, 2, 1...

BIOSPHERE...

All the plants and animals live here

Look, a flock of geese!

TROPOSPHERE...

Mountains and clouds

I can see my house from here

STRATOSPHERE...

Straight up through the ozone layer

Wheeee!

MESOSPHERE...

Watch out for the meteors!

THERMOSPHERE...

This is where the space shuttles orbit

Burr, I'm cold

EXOSPHERE...

We're really high now, but never fear

SPACE...

Stars!
