

## GET THERE

From the album *Happy Accidents*

I got lost far from home, I got scared, I was all alone  
A great big circus came my way; let me see what the fortune tellers say  
First one said, "home is near," the second said, "you can't get there from here"  
Last one said, "you'll find your way is looking for a way to find you! Say..."

### CHORUS:

Any way you go you're gonna get there!  
Any way you go you're gonna get there!  
Lean a little bit to where you wanna get  
'Cause any way you go you're gonna...

I went to school, what did they tell me?  
"Any way you go you're gonna get there!"  
I went to college, what did they yell at me?  
"Any way you go you're gonna get there!"  
I went to work, I went to sea, I went to the A.A.R.P.  
I went to the doctor, I went to the nurse  
What said the lady with the alligator purse....?

### CHORUS

What if I choose the wrong career?  
"Any way you go you're gonna get there!"  
And what if I make my choice in fear?  
"Any way you go you're gonna get there!"  
East, west, north or south  
"Any way you go you're gonna get there!"  
Should I go upside downside inside out?  
"Any way you go you're gonna get there!"

You can take a car, you can take a hike  
You can take a bus, take a boat, take a bike  
You can take a holiday, take an incomplete  
Take it on, take it off, take it to the street  
Take out back, take it inside  
Take it on the chin, Take it in stride

Take it or leave it with you when you go  
Take it to the limit, tell me what d' you need to know?

#### CHORUS

High, low, all you need to know  
Near, far, superstar  
Any way you go you're gonna...  
Any way you go you're gonna...  
Any way you go you're gonna...
