From the album Life So Far

## VERSE 1

God is in the child's eyes, see them wide, wondrous, wise  
God is in the rain and snow, and each snowflake: this we know  
God is in the trees and air; the rocks, the birds, the bees, the bears  
God is in the clouds above; God is in each act of love  
God is in the oceans deep, some say God goes there to sleep  
God is in the mountains high, whistling a lullaby  
God is in the darkest woods, God is in your neighborhood  
God is in a place that's near; sometimes it's just not so clear

## CHORUS:

God is in .... God is in .... God is in .... God is in .... God is in .... God is in

## VERSE 2

God is in your strangest pleasure; some say God is into leather  
God is into body piercing; in your nipple, lip, and nose ring  
God is in your new tattoo, in your scars and birthmarks too  
God is in your brand new nose, in your control top pantyhose  
God is in the latest fad, except for bungy jumping – that's dangerous and bad  
God is in your cellular phone, God will not leave you alone  
God is in the internet, wondering why you're not there yet  
God is in Vogue, and Spin, and Rolling Stone 'cause God is IN!

## CHORUS

## VERSE 3

God is in the Christian house; bread and wine and holy cross  
God is in the Jewish home; shalom chaverim, shalom  
God is in the Muslim, Allah hu akbar salaam  
God is in the Hindu way, jai bagwan! namaste  
God is in those dancing Pagans, in each drop of perspiration  
God is in the Wiccan coven; twelve plus one – a perfect dozen!  
God is in the Druid's song, that's why they go on so long  
God is in the Buddhist's chair saying "don't just do something – sit there!"  
God is in the Vatican; God goes there for vacation  
God is in the Quaker meeting, sleeping 'til they start the singing

God is in your guru; how do you spell that? "Gee, you - are - you"  
God is in the atheist, saying "yeah, I don't exist"  
God is in the flowing Tao, then and now and now and now  
God is in the Rasta man; I and I and on and on  
God is in the Moonie wedding; who gets who – begin the betting  
God is in the Hare Krishna, rub their heads and make a wish now

## CHORUS

#### **VERSE 4**

God is in your bank account, sometimes juggling the amount  
God is in your ATM, counting bills and stacking them  
God is in your college fund, laughing 'cause it's gone gone gone  
God is in your IRA, adding interest every day  
God is in your pocket change, your job is giving it to strangers  
God is in the beggar's cup; sometimes God just fills it up  
God is in the empty hand, spent it all on cheap Almaden  
God was in the S & L's but left, that's why they went to hell  
God is in the Wal-Mart; greets you with a shopping cart  
God is in your old jalopy, makes it go when it should not be  
God is in the Greyhound bus, sitting in back, watching us  
God is in 'tourist class,' on a frequent flyer pass  
God is in the pilot light; dancing through the night  
God is in the radio, Wolfman Jack told me so  
God is in the microwave, unless you try to use something metal  
    Then the microwave is the devil; also don't microwave with plastic wrap  
    'cause it forms molecular bonds with your food and turns your intestines into Tupperware  
God is in your Tupperware, but not the lids so buy some spares

#### **CHORUS**

#### **VERSE 5**

God is in the ozone layer; holier and holier  
God is in the atom bomb, or at least the atom bomber's mom  
God is in Chechnya, Sobrenica, Slovenica, Serbia, Bosnia, Herzegovia, Montana, Oklahoma .... {{{feel free to insert other appropriate places}}}  
God is incredulous at all the stuff we do to us  
God is inspired by those who fly and those who try  
God is insatiable so sing and dance way past full  
God is in you and me, someday God will help us see that  
God is in love with love, so live and love and that's enough  
God is in... God is in...  
God is inside of you, and all you don't and all you do  
God is in... God is in...  
God is in your greatest doubt, the jury's out, the doctor's out, but

#### **CHORUS**

#### **OUTRO:**

God is in .... Goddess in .... God is Zen .... Got us in .... God is in
