### CORN FLAKES!

"Tell us all about 'em!"

Well... they were trying to make bread and they failed

They cooked the ingredients way too long – they came out soggy and totally wrong

But the Kellogg genius's toasted it until... (ding!) crunchy! flakey! Delicious in milk!

EUREKA! UNIQUE-A! TOTALLY SUPERFREAK-A!

### PENICILLAN!

"Tell us all about it!"

Great – the miracle medicine that was a mistake

Trying to kill germs in a laboratory, thought they had to quit when things got moldy

Suddenly the germs were getting defeated... The mold was the medicine that they needed

EUREKA! UNIQUE-A! TOTALLY SUPERFREAK-A!

### CHORUS:

One more happy accident

(Musta been) meant to be, heaven sent to be

One more happy accident

It's okay – here to stay

We're so happy that it went this way

### STICKY NOTES!

"Tell us all about 'em!"

Super – they tried to make super glue, they made a big blooper

'Cause the glue they made was super – weak; in fact it lasted about a week...

So they put it on little yellow pieces of paper, and sold 10 million of 'em ten years later

EUREKA! UNIQUE-A! TOTALLY SUPERFREAK-A!

### CHORUS

Sometimes you feel like you're stuck with bad glue...

Until you figure out what it's for, just like me and you

LOVE,

"Tell us all about it!"

Hey, what can I say? I had a map of how to get there but it blew away

Wandering around the great big world, looking for a way to feel sure

In the perfect imperfection of a porous plan – you walked up and took my hand

EUREKA! UNIQUE-A! TOTALLY SUPERFREAK-A!
