CHORUS:

I'm gonna make you late
I'm gonna do you a favor
I'm gonna get you off schedule
For the third day in a row

It's Wednesday morning, it's barely the crack of dawn yet
So early the early bird isn't even born yet
Early bird gets the worm – wrigglin', squigglin'
Set down your terms, I like the way you're gigglin'

CHORUS

You've got a tightagenda
And really bigplans to attend to
Well I've got a secret – can you keep it? Surely!
Last night I reset the alarm to ring 45 minutes early

Now you may say, "That's a gross manipulation"
That's okay – 'cause it's truuuuuuuuuuuuuuue
But it's your fault 'cause you're my inspiration
And the next 45 are for you you you you

CHORUS

You're not my prisoner, you're free to go
You know we'll stop when you say, "No"
But say it soon, while you can still speak
'Cause I can't understand you when you squeak

CHORUS
