

ONE

From the album *Life So Far*

One day in a distant land
One woman and one man
One thing led to another:
One was a father, one was a mother
One day a daughter and a son
One year later – another, another
One plus one plus one plus one makes
One human race on the run

One will run for the president
One will run 'cause he can't pay the rent
One runs covert operations
One will run with no destination
One says, "wait, it's just not fair!
One plate full and one plate bare..."
One flaw after another
One solution: add 'em all together

CHORUS:

One plus one plus one plus one makes ONE
One plus one plus one plus one makes

One by one the tribes scattered
One got thin and one got fatter
One got cake, one got the batter
One in the gutter, one up the ladder
One hangin' with the Hitler youth
One marchin' Martin Luther's truth
One sings to the secret police and
One goes trekkin' after Mother Teresa

One plays peekaboo with a baby girl
One plays checkers with an arsenal
One up a mountain just to get air
One poppin' wheelies in a wheel chair
One likes Jesus, one likes Judah
One: Yogananda; Allah; Goddess; THE BUDDHA
One says "Wait – how do you pick a path?"
One solution: "NEW New Math!"

CHORUS

One to one and the lonely one too
Do you one-der where its leading to?
One-derful, wondrous thing:
One way – the way we're going

One one one one one one one one

ONE - bottling up his anger like a bomb
ONE - drinking coffee 'cause he's just too calm
This ONE - in the wilderness living like a fox
That ONE - hanging curtains in a cardboard box
This ONE - sleeping off a 3 day drunk
That ONE - in a think tank thinking all that can be think
This ONE - in a garden with nothin' but a stick
That ONE - he's a couch potato: CLICK CLICK CLICK
One channel "Bambi," one channel "Bond,"
One channel people channel voices from beyond
One voice emerges, says, "What a great equation:
One solution with a million variations!"

CHORUS

One goes up and one goes DOWN
One is square and one is ROUND
One will smile and one will FROWN
One is lost and one is FOUND
One is hot and one is COLD
One is young and one is OLD
One gets silver one gets GOLD
One gets bought and one gets SOLD
One is black and one is WHITE
One is wrong and one is RIGHT
One by day and one by NIGHT
One by dark and one by LIGHT
One says yes and one says NO
One goes fast and one goes SLOW
One goes high and one goes LOW
One says "stop!" and one says "GO!"

One one one
1 - 2 - 3 - 4 - 5 - 4 - 3 - 2
ONE
