

## **SOMEONE LIKE YOU**

From the album *Get Real*

People dreamed they could fly  
Now airplanes fill the sky: destiny  
Buildings rise, buildings fall  
That's the law, after all: gravity  
Everybody wants kingdom come  
Everybody's counting on, counting on

Someone like me; someone like you  
Someone like someone we once knew

Clouds of grey, clouds of black  
Run away – don't look back  
Everything is falling  
Patch of skin, tuft of hair  
It's puzzling, be prepared  
When they're calling you down  
Everybody wants justice done  
Everybody's counting on, counting on

Someone like me; someone like you  
Someone like someone we once knew

Someone who knows love that never ends  
Who knows power deep within  
Who knows where we begin

Someone like me; someone like you; someone like someone

More or less, more is more  
All is fair in love and war  
Take a breath  
'Cause there's agony in the coming storm  
Blood and tears until a child is born  
Birth and death: that's life  
Everybody wants the child to run  
Everybody's counting on, counting on

Someone like me; someone like you  
Someone like someone we once knew
