

## **TO BE ONE**

From the album *Happy Accidents*

If you want to be one with the water  
Dance with the river, sing with the sea  
And if you want to be one with the air  
Rage with the thunder and whisper to me

### **CHORUS:**

When you're ready to become  
Stand strong, and surrender  
When you're ready  
To be one

If you want to be one with the earth  
Melt with the mountains, shift with the sand  
And if you want to be one with the fire  
Burn all your bridges and reach for my hand

### **CHORUS**

If you want to be one with the infinite  
Spin with the planets, shine with the stars  
And if you want to be one with the spirit  
Surrender! You already are
