

## **YOU ARE NOT ALONE**

From the album *Happy Accidents*

When you're lost in the woods and the wind and the wandering  
calls you onto your knees  
Lay your hands on the earth and a whisper consoling will  
rise through the trees  
Ooooooooooooo..... Ooooooooooooo.....

When you wake in the night and the shadows are hungry for  
all that you've hidden from sight  
Put your hands on your heart, feel the rhythm accompany the  
song that leads to the light

CHORUS:

You are not alone... you are not alone...  
You are not alone... you are not alone

When you move through a crowd and the faces keep turning  
away to the gray of the sky  
Raise your hands through the clouds to the starlight that's yearning to  
offer 6 trillion replies

CHORUS
