

YOU COME TO ME

From the album *Life So Far*

You come to me in memories: shards of glass
You come to me in reveries: blades of grass
Now – the ground is soft; the wounds are deep
Now – you come to me within my sleep
You came to me recklessly in search of shelter
You came to me relentlessly; yeah I let you
When I opened up, you crawled inside
Then – you opened all my windows wide

YOU COME TO ME

I came to you gradually in the days that followed
I came to you magically to fill the hollow
Now – I stand outside, the darkness grows
I see you in the window; I see the windows close
I come to you with an open heart; an empty vessel
I come to you with my hands apart; why must you wrestle
Now – I call your name; I seek your face
Now – I see the windows break

YOU COME TO ME

You come to me eternally; you fill the air
You come to me eternally, though you're not there
Now – I know the truth; my strength is gone
Now – I know to carry on now – I know that I will carry on

YOU COME TO ME
